

## How to obtain I PUC result of Bangalore South District colleges

### Step 1:

Open Web Browser and open the link <https://result.bspucpa.com/>. Please note that you will see the below screen only on 05-05-2020 at 10:00 AM

The screenshot shows the SuVidya website interface. At the top, there is a purple header with the text "Welcome to SuVidya, an online application for processing and managing result of First Year PUC examination." Below this, there is a section titled "Know your result" with the text "We need following details in order to fetch your result." There are two input fields: "Register Number" and "Date of Birth". Below the "Register Number" field, it says "Register Number, exactly as in your admission ticket". Below the "Date of Birth" field, it says "Date of Birth, in DD-MM-YYYY format". There is a purple "GO" button below the input fields.

### Step 2:

Type in following details, and then click on **GO** button

- Register Number** – starts with 20AS, exactly 12 letters
- Date of Birth** – Student's date of birth in DD-MM-YYYY format, or choose date of birth

The screenshot shows the SuVidya website interface with the login form filled out. The "Register Number" field contains "20ZZ000S0002". The "Date of Birth" field contains "01-02-2002". A date picker calendar is open, showing February 2002, with the date 01 selected. The "GO" button is visible below the input fields.
