

Cambridge Layout, Ulsoor, Bangalore

I am proud to be the Principal of a college which inspires and challenges young people to reach both their professional and personal goals. I strongly believe that the quality of education is influenced by the quality of teachers along with their commitment and motivation for the teaching profession. Training teachers efficiently hence becomes an important component in helping them understand the child's learning process along with meeting social expectations. Charan's believes in providing a perfect amalgamation of academic learning and practical teaching skills, a place in which the ordinary can become extraordinary in a warm, friendly and a nurturing atmosphere.

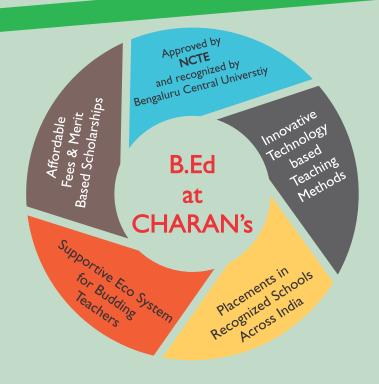

Charan's B.Ed College is a part of Charan's Group of Insitution shaping young minds for over 25 years. The college has a motto of providing quality education and service to sharpen and foster young minds. charan's B.Ed college is recognized by National Council for Teachers Education (NCTE) Delhi and is affiliated to bengaluru central university. Charan's B.Ed college offers a two year regular B.Ed program as per the university guidelines. The institution strives to fulfil its mission to provide educational opportunities to all aspiring youth, deliver outcome based quality education, emphasizing on experiential learning.

Department Of Education

Department of Education at Charan's strives to impart quality education to create young professionals capable of facing the challenges of the twenty first century. Towards this mission, the department maintains a high quality environment for fostering the curiosity and potential of budding teachers in order to develop effective leaders who can create responsible citizens of our society.

PLACEMENT TRAINING

Charan's empowers students to emerge as high performing individuals, who conquer the job market with relative ease. Constant interactions with our solid network of schools enable us to understand the requirements of the employers and provide the right training to our students in order to make them ready as teachers from Day I

We also provide a channel for students to interact with Principal of other schools by organizing guest lectures and school visits, so that they are able to visualize their future work spaces and understand what the management expect out of them.

ADMISSION PROCESS

A citizen of India who has passed any Bachelor's degree examination of Bangalore University or any **ELIGIBILITY FOR ADMISSION** University in India or abroad recognized as equivalent through 10+2+3/4/5 pattern of education and has obtained 50% of marks in aggregate of all the subjects he/she has studied, is eligible for admission to B.Ed programme. Candidates with less than 50% aggregate in the undergraduation degree, but a Master's degree with 50% is also eligible for B.Ed program. In the case of SC/ST, Category-1 and physically challenged students, 45% marks in aggregate of all the subjects he/she has studied for degree course or 45% In post graduation is eligible. A candidate for the admission to degree of education (B.Ed) must fulfil the eligibility criteria as per the directives of the Govt of Karnataka from time to time.

APPLICATION PROCEDURE:

Visit the college office and collect the application form with prospectus for the current academic year session. Fill the application form and submit to office within three days of collecting the same. Submit a xerox copy of your degree marks card along with the application form for the selection process. If your application is successful, you will receive a call/text to visit the college and complete the other formalities.

- Smart Classrooms: An 80 inch Touchscreen Smart Board is installed in every class to encourage interactive learning of concepts. Numerous research conducted has shown that visual learning helps improve cognitive power of students
- State-of-the-art Science and Computer Science Laboratories that has brand new computers and lab equipment to facilitate excellent performance in practical examinations
- Encourage and promote the passion for Sports (Football, Cricket, Basketball, Throwball, Athletics, etc.) Our students regularly participate in inter college fests and sports tournaments conducted at the State level.
- Talent is nurtured through a range of Extracurricular activities such as dance (classical/ freestyle/salsa), music, drama, photography, movie making, debate and art (rangoli/ mehendi/cookery)
- Innovative methods of teaching concepts including presentations, role plays, group discussions and brain storming debate sessions help our students stay ahead in today's competitive world.
