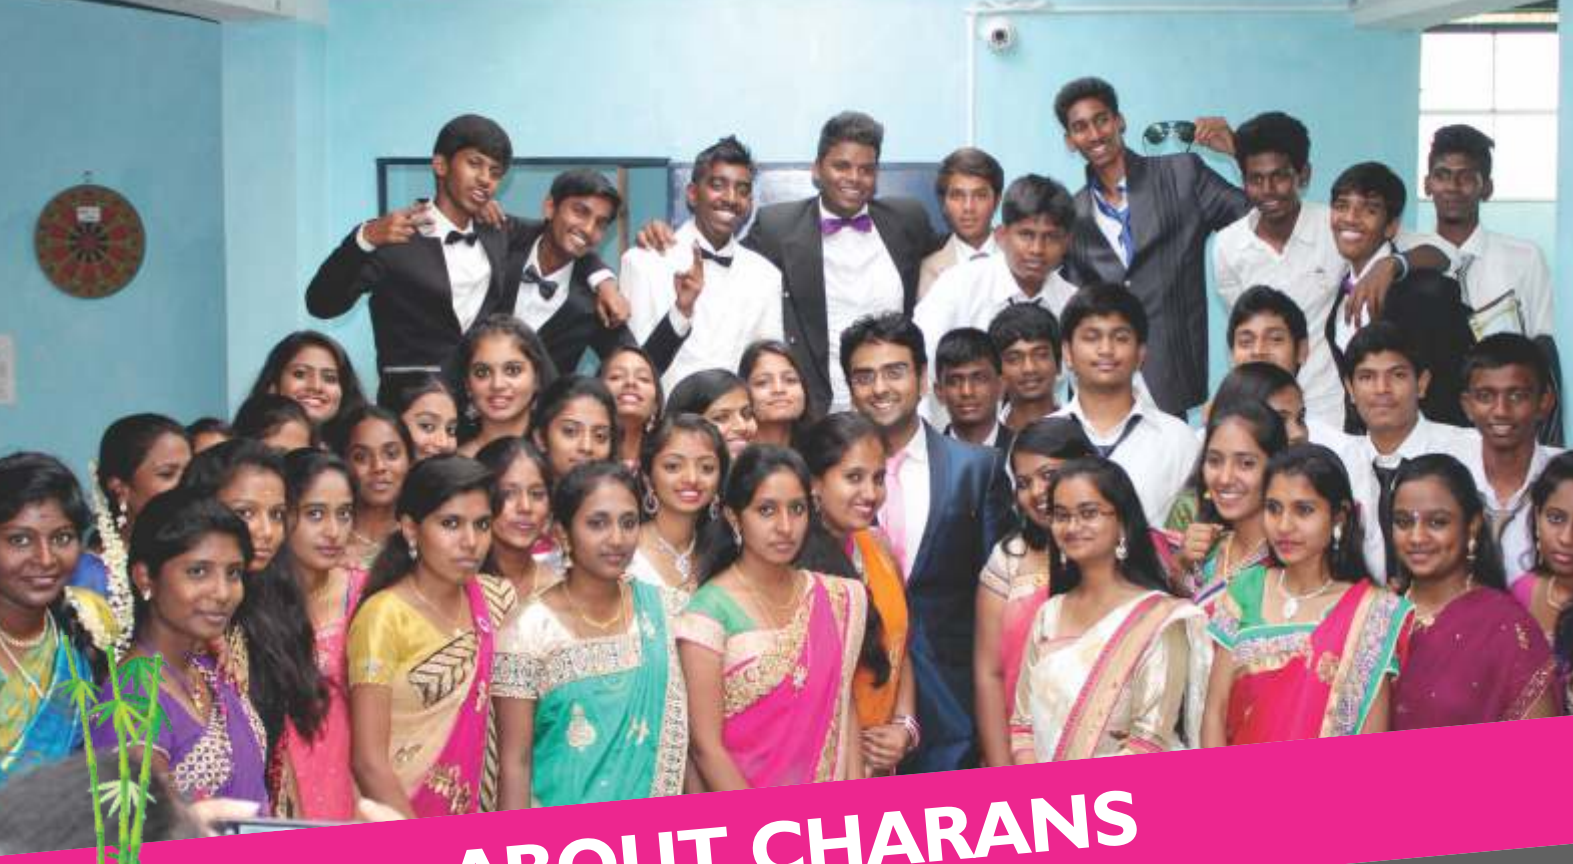
CHARAN'S PU COLLEGE

Dr. Vinay Ranganathan (BE, MS, MPhil, PhD) is a young and dynamic Cambridge University scientist who has left his rewarding career in the UK to come back and help our students follow their passion and build their careers. He is a leader who understands today's generation and wants to hear their voice and opinions.



ABOUT CHARANS

For the last 25 years, Charan's Group of Institutions has stood by the vision of shaping young minds, so that they emerge into the society as well-rounded individuals. We have a dynamic community of students, who co-create the process of learning along with the highly qualified and dedicated faculty. Here at Charan's we do not go by the square-peg-round-hole strategy. We understand that each child is unique in his/her own way, and therefore we tailor our teaching methods to bring out the best in all of them.

The Pride of Charan's PU College is its supportive environment in which the children feel valued. Over the years we have witnessed that this ecosystem of mutual support eventually builds their self-esteem and gives them the confidence to achieve great feats. In today's competitive world, a successful individual needs to have everything - strong academics, a charming personality and a great set of values. This is what we rigorously impart in all Charanites.

SPECIAL MESSAGE FROM THE PRINCIPAL

I am proud to be the Principal of a college which inspires and challenges young people to reach both their professional and personal goals. It is our hope that the college provides an opportunity in which our students can grow tall; a place in which the ordinary can become the extraordinary in a very warm, friendly atmosphere.

CHARAN'S FAMILY MESSAGE BOARD

The friends I made here are inseparable!!!!
- Kavya (Student)

My lecturers are soooooo friendly..
they are like my family !!!
- Soniya *(Student)*

I am Virat Kohli, ABDe and Gayle combined in one!
Charan's means Cricket matches to me !!!
- Manoj (Student)

I believe that each day is an opportunity to help a child grow a little better than yesterday and with more than 10 years of experience in the teaching field, I believe in conceptual teaching and learning as it helps every student to enjoy the fascinating subject of Biology.

Dr Deepa - MSc, MPhil, PhD
(Asst Professor- Commerce Department)

I am a quiet person and
I like to concentrate on studies
Charans means academic
excellence to me
- Raghavendra (Student)

After each exam Principal sir would make it a point to assess the strengths and weaknesses of each child and discuss it with them. Each child would be told what corrections they had to undergo in order to improve in their area of weaknesses. My daughter has improved in so many areas. We are very happy with her overall development as a person. With Charan's ,she is in safe hands!"

Ms Sowmya Prakash (Mother of a II PUC Science student)

In simple words, my classes are always filled with 'masti' and entertainment along with the subject as I believe in keeping the students hooked and interested at all times during the class.

Mr Ravi - MCom, MBA
(Asst Professor- Commerce Department)

ADMISSION PROCESS

HOW TO APPLY

ELIGIBILITY:

- A pass in Karnataka SSLC Examination or any equivalent recognized by the Pre University Education Board of Karnataka (ICSE / CBSE or Equivalent).

APPLICATION PROCEDURE:

Four step procedure for getting in:

1. Once the SSLC results are announced, collect the I PUC application forms from the college reception between 8 AM and 4 PM.
2. The application form must be completely filled and submitted back to the office within 3 days of collecting the form.
3. A personal interview of the student will be conducted by the Principal along with an informal discussion with parents on their role and responsibilities in PUC.
4. If the candidate is successful in the interview, he/she will be admitted for the desired course in I PUC.

NOTE:

- The filled in application forms will only be accepted when the results (SSLC/CBSE/ICSE) are out.
- Separate applications should be submitted if a candidate is applying for more than one combination.
- Applicants must personally fill in the forms correctly and neatly.
- Incomplete applications and applications with false information of any sort will automatically be treated as invalid.
- If the candidate fails to attend the interview on the specified date; the seat will be allotted to the next candidate in line.

DEADLINES:

Application forms for I PUC are available as soon as the SSLC/CBSE/ICSE results are announced. Students are advised to collect the application forms the next day after their results to avoid disappointment. Students are taken on first come first serve basis only and the college accepts only limited students in every class.

(For more information about the courses, the documents required, the fees, etc. kindly visit our website: http://www.charans.in/admission

FACILITIES

- Clean and spacious classrooms with limited students (30-40) in every class to ensure that every student gets individual attention
- Smart Classrooms: An 80 inch Touchscreen Smart Board is installed in every class to encourage interactive learning of concepts. Numerous research conducted has shown that visual learning helps improve cognitive power of students
- State-of-the-art Science and Computer Science Laboratories that has brand new computers and lab equipment to facilitate excellent performance in practical examinations
- Encourage and promote the passion for Sports (Football, Cricket, Basketball, Throwball, Athletics, etc.) Our students regularly participate in College Fests and in the Annual Karnataka PU Department Sports Meet.
- Talent is nurtured through a range of Extracurricular activities such as dance (classical/ freestyle/salsa), music, drama, photography, movie making, debate and art (rangoli/ mehendi/cookery)
